

# medical:foundry

## Accelerator for Life Science Startups

- The **medical:foundry** is a fully customizable accelerator program specifically tailored to the needs of life science startups.
- **Your growth starts here:** The program supports founders in the first 18 months after establishment — or those preparing to launch.

- With its modular structure, the **medical:foundry** offers tailored support in the following areas:

★ Regulatory affairs

★ Clinical affairs

★ Business

development

★ Backoffice services

★ Marketing

★ Investor relations

★ CoWorking

(laboratory and  
office space)

- ✓ **Strong network:**  
Access to partners, clinics,  
industry & investors –  
regional to international.
- ✓ **Extensive experience:**  
Supporting successful  
MedTech, Biotech &  
Digital Health startups.
- Participating startups can access equity funding of  
up to €300,000 per year.

## APPLY NOW. DRIVE INNOVATION
