CoWorking Lab for Life Sciences

Innovate in Leipzig

Welcome to our CoWorking Lab where work meets opportunity!

Our CoWorking Lab is providing a dynamic environment which encourages your networking, creativity, and productivity. Your company gains access to a shared lab and office workspace and enjoys exclusive benefits crafted to support your business growth.

Join us in Leipzig, a city known for its burgeoning life science scene and take advantage of a lively innovation ecosystem that propels your startup towards success.

We have a total CoWorking space of around 470 m²:

- S1 labs for genetic engineering (100 m² / fully equipped)
- Biochemical wet labs (82 m² / fully equipped)
- 3D printing lab (JetFusion HewlettPackard, SLA Formlabs, blasting cabin)
- Electronic lab / 4 ESD workstations (30 m² / fully equipped)
- Conference room with media technology for 6 people (22 m²)
- Flexdesk office space (screens and WiFi)
- Shared kitchen (e.g. coffee machine, fridge, microwave)

Further services within the scope of CoWorking:

- Additional conference room for up to 12 people in the leap:up office
- Inhouse laboratory supply reseller
- Lab coats service | Chemical disposal service
- Free WiFi | Office Printer and Scanner
- Free networking events at BIO CITY LEIPZIG
- Several lunch locations on BioCity Campus
- Special conditions for:
 - conference rooms at BIO CITY for up to 100 people
 - for chemicals
 - for leap:up services (e.g. marketing services, events, seminars, consulting)
